Office Memorandum

Subject: Clarification regarding date of liability creation under Pradhan Mantri Kisan Urja Suraksha Evan Uthaan Mahabhiyaan (PM KUSUM) scheme

The PM-KUSUM Scheme is a flagship scheme of Ministry of New and Renewable Energy and is being implemented since March, 2019 to enable the installation of standalone solar pumps, solarization of existing grid-connected agriculture pumps, and installation of solar power plants on farmer's land. The scheme has the target of 10,000 MW under Component A and 49 lakh pumps under Component B and Component C together. The sunset date for the scheme is 31st March, 2026.

2. Currently, all the targeted capacities are allocated to the states. Since the sunset date is approaching, the undersigned is directed to convey the following:

a) Under PM KUSUM scheme, the state wise/SIA wise liabilities created till 31st December 2025 would be taken into account. No new liabilities will be created after this date.

b) For Component A and Component C (FLS), only projects with PPAs signed by **31st December 2025** will be treated as liabilities and considered for release of PBI/CFA. Such projects should be installed within timelines given in the scheme guidelines.

c) For Component B and Component C (IPS), only projects with a final Work Order/Notice to Proceed (NTP) or NTP, where LoA itself does not allow the vendor to proceed with work as per State procedure, issued by **31st December 2025** will be eligible for CFA. No fresh LoA or WO/NTP will be allowed after this date. Thus, to further clarify, only projects where the selected vendors are able to have a firm commitment from the state implementing agency to proceed with work on field by 31st December 2025 will be treated as liabilities. These projects must also follow the installation timelines given in the scheme guidelines

3. The approved cutoff date of 31st December 2025 is for the liability creation under the scheme and the Ministry would not be responsible for the release of CFA for any liabilities created after the said date.

4. This order is issued with the approval of the Competent Authority.
